GP Practice Team Questionnaire

GP practices are working to help patients to get the right care at the right time from the right service. To do so, we need to find out if patients are aware of the services currently available to them.

We appreciate you taking the time to complete this short survey.

Please circle the service you would contact first:

If you had a red, painful eye, who would you contact first?				
GP practice	Pharmacy	LENS	Usual optician	Don't know
