

Action Plan

Service Name:	Beau Ultime Skin & Aesthetics Ltd
Service number:	01528
Service Provider:	Beau Ultime Skin & Aesthetics Ltd
Address:	3 Kemp Street, Hamilton ML3 6QL
Date Inspection Concluded:	15 August 2022

Requirements and Recommendations	Action Planned	Timescale	Responsible person
Requirement 1: The provider must arrange for all hazardous waste produced by the service to be segregated and disposed of in line with appropriate national waste legislation.	Stericycle contacted with the appropriate waste disposal codes for all future uplifts to ensure all clinical waste is being disposed of safely and correctly.	Already implemented	Lisa Conway
Requirement 2: The provider must ensure that there is evidence that staff working under practicing privileges were safely recruited.	All practicing privilege / room rental contractors have had their HR files updated with the appropriate information	Already implemented	Lisa Conway
Recommendation a: The service should ensure staff are trained in the principles of duty of candour.	Duty of Candour Training will be arranged for all staff working within the clinic either through Protrainings or caredemy.	Oct 2022	Lisa Conway

File Name: 20190121 Action Plan Template	Version: 1.0	Date: 21 January 2019
Produced by: IHC Team	Page:1 of 2	Review Date:
Circulation type (internal/external): Internal/External		

Recommendation b: The service should develop more audits to cover key aspects of care and treatment such as patient care records and the clinic environment. Audits and associated action plans should be documented and actions added to the quality improvement plan.	Audits will be updated to include this information and will be stored manually and electronically to ensure the information is used appropriately and reviewed frequently	Oct 2022	Lisa Conway
