

Improvement Action Plan

Healthcare Improvement Scotland: Unannounced acute hospital safe delivery of care inspection

Western Isles Hospital, NHS Western Isles

3-4 September 2024

Improvement Action Plan Declaration

It is the responsibility of the NHS board Chief Executive and NHS board Chair to ensure the improvement action plan is accurate and complete and that the actions are measurable, timely and will deliver sustained improvement. Actions should be implemented across the NHS board, and not just at the hospital inspected. By signing this document, the NHS board Chief Executive and NHS board Chair are agreeing to the points above. A representative from Patient/Public Involvement within the NHS should be involved in developing the improvement action plan.

4.	<p>Domain 2: Leadership and Culture</p> <p>NHS Western Isles must ensure that senior management and leadership oversight is effective to reduce the risks for staff and patients and support staff wellbeing.</p> <p>This will support compliance with: Health and Social Care Standards (2017) criteria 4.23 & Quality Assurance Framework (2022) criteria 2.3, 2.6 and 5.5</p>				
4.1	NHS Western staff wellbeing group will continue to meet every two months. Membership consists of a variety of managers from different departments and geographical locations and includes representation from subject expert such as Occupational Health, Health Promotion and staff side. Work from the group is taken forward in partnership via Area Partnership Forum and Staff Governance Committee. The Resilience Group will also maintain its standing agenda item on staff wellbeing.	Complete	Human Resources Director Organisational Development and Learning manager		31/10/2024

4.2	<p>NHS Western Isles will continue all current measures in place to support staff well-being which includes the Employee Assistance Programme, continuing program of awareness surrounding women's health, cycle to work scheme, civility workshops, implementation of mental health contacts and confidential contacts.</p> <p>NHS Western Isles Endowment Committee has recently approved the purchase of reusable cups to be issued to all staff early next year as part of the rest, hydrate and refuel campaign.</p>	30/04/2025	<p>Human Resources Director</p> <p>Organisational Development and Learning manager</p>	<p>23/01/2025:</p> <p>All ongoing provisions for staff wellbeing continue to be promoted across the organisation. The Employee Assistance Programme and associated Wisdom app remain well used by staff. Period products continue to be made available to staff as well as NHS Western Isles becoming recognised as an Endometriosis Friendly Employer. Mental Health Contacts to be launched on Wednesday 22nd January 2025.</p> <p>The Rest, Rehydrate and Refuel campaign has associated comms ready to go, with the only outstanding action procurement of appropriate reusable cups. Several options are being tested to ensure the most effective option is identified. These will then be made available to all staff as part of the campaign launch.</p> <p>20/02/2025:</p> <p>4 Sample re-usable cups currently being tested to assess suitability. Once complete, an order will be made for all staff in a variety of colours. This was slightly delayed due to waiting for samples to be</p>	
-----	---	------------	--	---	--

				<p>sent. Anticipate completion of this by end of February 2025.</p> <p>20/03/2025:</p> <p>There has been a delay with the cups due to identification of the appropriate one which is now resolved, and the order has been placed. Accompanying communications have been drafted and there will be a 'Coming Soon' comms going out in the week of 17th March for national hydration and nutrition week.</p> <p>17/04/2025:</p> <p>There was a delay in ordering cups due to carriage and error made with the provider which was resolved on 10.04.2025. With this issue rectified, we hope to receive cups and organise distribution by the end of April 2025. Accompanying communications have been drafted and will coincide with the wider distribution to all staff.</p>	
4.3	NHS Western Isles will establish staff focus groups to identify if staff feel that current wellbeing initiatives are effective and if there are additional ideas that could be taken forward by the wellbeing group.	Complete	Human Resources Director Organisational Development and Learning manager	<p>23/01/2025:</p> <p>Wellbeing Focus Groups will take place across two weeks in February (W/C 17th and 22nd). These will be carried out using both online and in-</p>	13/03/2025

				<p>person formats. It is planned that these will also be available in person across the island chain. After conclusion of these focus groups, detailed analysis of the outputs will be used to assess effectiveness, as well as help to shape ongoing initiatives for staff</p> <p>20/02/2025: Pending travel authorisation, focus groups to take place in Uist and Barra W/C 24th February with sessions online and in the Western Isles Hospital the following week. Outputs to be analysed and fed back to the Wellbeing Group in March 2025.</p> <p>20/03/2025: Focus groups are complete and outcomes have been presented to the wellbeing group. There are plans for communications on a 'You said, we did' piece that will ensure we can feedback to staff.</p>	
4.4	NHS Western Isles will continue to advertise staff wellbeing initiatives via weekly Team Brief, all staff email, social media and ensure posters are in place in physical buildings	Complete	Human Resources Director Organisational Development and Learning manager	<p>23/01/2025: Continued promotion of wellbeing resources for staff continued through Team Brief, staff Facebook. These included the importance of taking breaks as well as being mindful of own wellbeing, and</p>	31/12/2024

				being mindful of others and their own needs	
4.5	Staff will be encouraged to raise any staff well-being concerns at hospital huddles where supportive actions can be agreed. The huddle spreadsheet will be amended to include questions regarding concerns for staff wellbeing such as concerns regarding missed breaks or staff late off shift.	Complete	Nurse/ AHP Director and Chief Operating Officer Human Resources Director Associate Nurse Director Lead Nurse Acute Services Senior Charge Nurse	04/12/2024: December huddle spreadsheet has been amended to include questions regarding staff wellbeing	01/12/2024
5.	Domain 2: Leadership and Culture NHS Western Isles must improve feedback to staff on incidents raised through the incident reporting system and ensure learning from incidents is used to improve safety and outcomes for patients and staff This will support compliance with: Quality Assurance System: Quality Assurance Framework (2022) Criteria 3.1 and Learning from adverse events through reporting and review: A national framework for Scotland (2019)				
5.1	The Risk Management Team will deliver an education session to adverse event handlers and investigators on providing feedback to incident reporters. This education session will be recorded and available on the TURAS Learn platform.	Complete	Nurse/ AHP Director and Chief Operating Officer Head of Clinical Governance and Professional Practice Risk Manager	23/01/2025: Risk management WINES education session scheduled for 26/02/2025 20/02/2025: Risk management WINES education session scheduled for 26/02/2025 20/03/2025: Risk management WINES education session went ahead as planned on 26/02/2025 and recording of session has been uploaded to Turas	26/02/2025

5.2	NHS Western Isles will continue to share learning from adverse events in Quarterly Adverse Events Reports which are presented at Quality and Safety Groups, Learning Review Group, Operational Service Delivery Team and Clinical Governance Committee.	Complete	Nurse/ AHP Director and Chief Operating Officer Head of Clinical Governance and Professional Practice Risk Manager		31/10/2024
5.3	The Risk Management Team will develop and publish a Quarterly Bulletin in NHS Western Isles Team Brief to share learning themes from Adverse Events Investigations.	Complete	Nurse/ AHP Director and Chief Operating Officer Head of Clinical Governance and Professional Practice Risk Manager	23/01/2025: In progress and on track 20/02/2025: First quarterly Risk Management Bulletin published in the team brief on 14/02/2025.	14/02/2025
6.	Domain 2: Leadership and Culture NHS Western Isles must have effective processes in place for communication and dissemination of information from hospital wide huddles This will support compliance with: Health and Social Care Standards (2017) Criteria 2.6				

6.1	NHS Western Isles will ensure that daily department safety briefs are re-established to ensure that all staff who work in the department have access to patient safety concerns, infection prevention control issues, staffing concerns for the upcoming shift. Feedback from the hospital huddle should be recorded here to ensure that all staff feel informed.	Complete	Nurse/ AHP Director and Chief Operating Officer Associate Nurse Director Lead Nurse Acute Services Senior Charge Nurse	04/12/2024: Department safety briefs were re-established on 14 th October 2024	14/10/2024
6.2	NHS Western Isles will ensure that the quality improvement team undertake monthly compliance audits for department safety briefs, and these are fed back to Senior Charge Nurses, Quality and Safety group, Learning Review Group, Operational Service Delivery Team and Clinical Governance Committee.	Complete	Nurse/ AHP Director and Chief Operating Officer Head of Clinical Governance and Professional Practice Quality Improvement Team Senior Charge Nurse	04/12/2024: Audit completed in December for Oct, Nov and Dec.	31/12/2024
6.3	All departments in NHS Western Isles have an agreed and approved department staff communication plan. Senior Charge Nurses should ensure that all staff have access to this and have signed that they have read it, interdepartmental communications are made through the agreed pathways within the communication plan.	Complete	Nurse/ AHP Director and Chief Operating Officer Associate Nurse Director Lead Nurse Acute Services Senior Charge Nurse		31/10/2024
7.	Domain 2: Leadership and Culture NHS Western Isles must ensure staff are supported within their roles and that concerns raised by staff are acted upon This will support compliance with: Health and Care (Staffing) (Scotland) Act 2019 (legislation.gov.uk)				

7.1	<p>NHS Western Isles will ensure that all staff are aware of the existing system and process that is in place to raise and escalate concerns by using red flags on safe care and Datix if risks cannot be mitigated.</p> <p>Staff escalation flow charts are available in all departments which advise staff of the actions to follow and who to escalate concerns to in and out of hours.</p>	Complete	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Associate Nurse Director</p> <p>Lead Nurse Acute Services</p> <p>Senior Charge Nurse</p>	<p>04/12/2024:</p> <p>Additional training has been provided to staff on raising and escalating concerns and risks through Safe Care using the red flag system. Staff also identify any patient or staff safety concerns on the huddle spreadsheet which is then discussed and mitigated or escalated to on call executive director</p>	31/10/2024
7.2	<p>NHS Western Isles will ensure that the outcome and/or mitigations resulting from staff raising concerns are implemented and fed back to staff.</p> <p>This would be at the hospital huddle and the department representative would feedback mitigations put in place to the team and record these on the department safety brief or through Datix feedback where the investigator or handler of a Datix will email the staff member who raised the Datix to advise them of the outcome of the investigation and any lessons learnt.</p>	Complete	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Associate Nurse Director</p> <p>Lead Nurse Acute Services</p> <p>Senior Charge Nurse</p>		31/ 10/2024

8.	<p>Domain 2: Leadership and Culture</p> <p>NHS Western Isles must ensure effective and appropriate governance approval and oversight of policies and procedures are in place</p> <p>This will support compliance with: Health and Social Care Standards (2017) Criterion 1.24 and Quality Assurance Framework (2022) Indicator 2.6</p>				
----	---	--	--	--	--

8.1	<p>NHS Western Isles will ensure that all staff responsible for writing policies are aware of the governance processes that are already in place for approving policies and procedures.</p> <p>This information is available on the NHS Western Isles intranet page and will also be communicated to staff through weekly team brief and all staff email. Policies are reviewed and approved at clinical policies review group, HR policies review group, Corporate Management Team meetings or Resilience Group.</p>	Complete	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Head of clinical Governance and Professional Practice</p>	<p>23/01/2025: A reminder on the process for policy approval was published in staff team brief in December</p>	20/12/2024
9.	<p>Domain 4.1: Pathways, procedures and policies</p> <p>NHS Western Isles must ensure use of a selection criteria within risk assessments to support placement of patients within additional beds that are used during periods of extreme system pressure</p> <p>This will support compliance with: Health and Social Care Standards (2017) Criterion 1.23, 1.4, 2.11, 2.32, 4.14 and 5.22 and Quality Assurance Framework (2022) Indicator 2.1</p>				
9.1	NHS Western Isles will develop a Standard Operating Procedure regarding the use of non-staffed contingency beds.	31/05/2025	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Associate Nurse Director</p> <p>Lead Nurse Acute Services</p>	<p>23/12/2025: In progress and on track</p> <p>20/02/2025: In progress and on track to meet deadline date</p> <p>20/03/2025: Draft contingency bed SOP expected to be presented to OSDT on 26/03/2025 for discussion and onwards to CMT for approval</p> <p>17/04/2025: April OSDT cancelled as not</p>	

				<p>quorate, papers will be presented to OSDT on 23rd April and onwards to CMT on 20th May for approval</p>	
9.2	<p>NHS Western Isles will develop a Patient Placement Standard Operating Procedure, this will include a risk assessment template to allow informed decision making and potential risks and mitigations to be recorded when considering placement of patients.</p>	31/05/2025	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Associate Nurse Director</p> <p>Lead Nurse Acute Services</p>	<p>23/01/2025:</p> <p>In progress and on track</p> <p>NHS Western Isles is in the process of reinstating a dedicated and secure paediatric area at the end of medical ward 1, this will be fully operational by 24/01/2025</p> <p>20/02/2025:</p> <p>Dedicated and secure paediatric area in M1 is operational</p> <p>Patient placement SOP is being developed</p> <p>20/03/2025:</p> <p>Draft patient placement SOP expected to be presented to OSDT on 26/03/2025 for discussion and onwards to CMT for approval</p> <p>17/04/2025:</p> <p>April OSDT cancelled as not quorate, papers will be presented to OSDT on 23rd April and onwards to CMT on 20th May for approval</p>	

10.	<p>Domain 4.1: Pathways, procedures and policies</p> <p>NHS Western Isles must ensure all patients have access to call bells</p> <p>This will support compliance with: Health and Social Care Standards (2017) Criteria 4.11, 5.2, 5.3 and 5.4 and Healthcare Improvement Scotland Quality Framework (2018)</p>				
10.1	<p>NHS Western Isles Estates department will issue the Emergency Department with temporary call bells as an interim measure when they become available at the end of December 2024.</p> <p>In the meantime, treatment room doors will be kept open unless a clinician is in the room allowing full visibility in the department.</p>	Complete	<p>Nurse/ AHP Director and Chief Operating Officer</p> <p>Estates Department</p> <p>Hospital Manager</p> <p>ED Senior Charge Nurse</p>	<p>23/01/2025:</p> <p>Due to a delay in the external contractor arriving on site, the work to install the new call bell system in APU starts 16/01/2025 and is expected to take 10 days.</p> <p>The ED redevelopment work begins on 17/02/2025 and ED will relocate to the Acute Assessment Unit for the duration of the improvement works approximately 10-12 weeks, the temporary call bell system will be in place in AAU prior to ED relocating and a fully integrated nurse call bell system will be in place in the newly refurbished ED.</p> <p>20/02/2025:</p> <p>ED operational in AAU from 13/02/2025 and temporary call bells are insitu</p>	13/02/2025
