Guidance on completing the action plan.

- **Action Planned:** This must be a relevant to the requirement or recommendation. It must be measurable and focussed with a well-defined description of how the requirement/recommendation will be (or has been) met. Including the tasks and steps required.
- **Timescales:** for some requirements the timescale for completion is immediate. If you identify a requirement/recommendation timescale that you feel needs to be extended, include the reason why.
- Please do not name individuals or an easily identifiable person in this document. Use Job Titles.
- If you have any questions about your inspection, the requirements/recommendations or how to complete this action plan, please contact the lead inspector.
