

Agenda

Title: SPSP Adults in Hospital National Event

Date: Tuesday 24 March 2026

Time: 9.45am – 4pm

Location: Marriott Hotel, Glasgow

Aims

- Explore how the Scottish Approach to Change and human factors can support boards in delivering change across the SPSP Adults in Hospital programme
- Share key learning from readiness for change and system understanding to inform co-design of revised Adults in Hospital change packages
- Provide an opportunity to network with colleagues within workstreams and across the wider programme
