

Action Plan

Service Name:	Royal Alexandra Hospital
Service Provider:	NHS Greater Glasgow and Clyde
Date of inspection:	27 – 28 May 2026

Recommendations	Action Planned	Timescale	Responsible Person	Progress	Date completed
a) It is recommended that NHS Greater Glasgow and Clyde promote the learning and development opportunities available to staff to undertake continuing professional development.	Discuss how this can be implemented equally across GGC at NHSGGC Diagnostic Imaging Workforce strategy sub group which includes representatives from Partnership NHSGGC Diagnostic Learning and Education Strategy group This will be a review of the AHP leaning strategy and SOR charter for protected study time	January 2027	Mary MacFarlane Liam Weir		
b) It is recommended that NHS Greater Glasgow and Clyde consider adopting the recommendation from the Society of Radiographers charter for protected study time to allow staff to undertake learning and development.	Discuss at NHSGGC Imaging Workforce strategy sub group which includes representatives from Partnership This will be a review of the AHP leaning strategy and SOR charter for protected study time	January 2027	Mary MacFarlane		

Requirements	Action Planned	Timescale	Responsible Person	Progress	Date completed
1) NHS Greater Glasgow and Clyde must include the procedure for cancelling any referrals for exposure in the employer's procedures. Reg 6(1)(a)(p).	EP-4 -details the cancellation requirement to IR(ME)R revision 8 active date 29/01/2026	Completed	Alison Bolster		
2) NHS Greater Glasgow and Clyde must ensure that, before an exposure, pregnant patients are provided with adequate information relating to the benefits and risk associated with the radiation dose from exposure. (Regulation 6(1)(a) Schedule 2 (i)).	 RISK_ BENEFIT QUESTIONS.msg Currently the referrer is asked to confirm that the pregnant patient has been given the Risk benefit information for Imaging radiation exams in both ICE and Trak This is a YES /No question. In ICE this question cannot be bypassed or ignored however in Trak they can continue without answering. The Change control Team have been working with Trak on a solution . To allow make this a mandatory question this will have to be moved to	January 2027	Gary Grayson Change Control Panel		

	request the referrer to answer this question for ALL patients
